U.S. Probation Officer Action:

The offender was questioned repeatedly regarding his use of a narcotic cough syrup and admonished for doing so without a legitimate prescription. He insisted he did so not because of a desire to get high, but because was truly sick. As a result the offender will remain in the random drug phase testing program and the probation office will continue to monitor for any drug treatment needs that arise. We are respectfully recommending no action at this time, and will notify Your Honor if any Court intervention becomes necessary.

Respectfully submitted,

By: Steven Alfrey
U.S. Probation Officer
